State Funds	\$25,000	FY 2008				
Total	\$25,000					

**Detailed Project Description and Justification:**

Road Service Area roads are continually in need of upgrading to accommodate safety, traffic density, and drainage needs. Road upgrades include all work associated with: Sub base and surface preparation, drainage, widening, clearing and grubbing, geotechnical, stream crossings, environmental controls, realignment, connectors, right of way and easement acquisition, survey and engineering, and dust control. Although the RSA's funding needs are much greater than this request, this amount will make a big difference in meeting some of the upgrade requirements.
